The image displays two screenshots of the Axnosis mobile application interface. The top header is a blue banner with the Axnosis logo. The left screenshot shows the 'Events' tab selected in the top navigation bar. Below the navigation bar, there's a 'Filters' section with a menu icon and a dropdown arrow. The main content area features a large image of a tennis trophy and balls, with the text 'Club Champs' and 'AXNOSIS TENNIS CLUB' below it. A red arrow points to a 'Games' icon (a game controller) in the bottom right corner of this section. Below the image, there are two expandable sections: 'Event Details' and 'Event Results', each with a dropdown arrow. A green circular button with a white plus sign is at the bottom right. The right screenshot shows the 'Match players' dropdown menu expanded. Below it, the 'Match date & time' is set to '18 Sep 2026' at '09:00'. The 'Match title' is 'Quarter Final 4'. The 'Match format' is 'Mens Singles'. The 'Match type' is 'Best-of-three'. The 'Match court' is 'Court 1'. The 'Match status' is 'Scheduled'. The 'Match round' is 'Quarterfinal', with a red arrow pointing to it.

In **Club Champs**, a **round** is a **stage** of the competition where players compete to progress toward the final. A round groups together matches that have the same progression purpose.

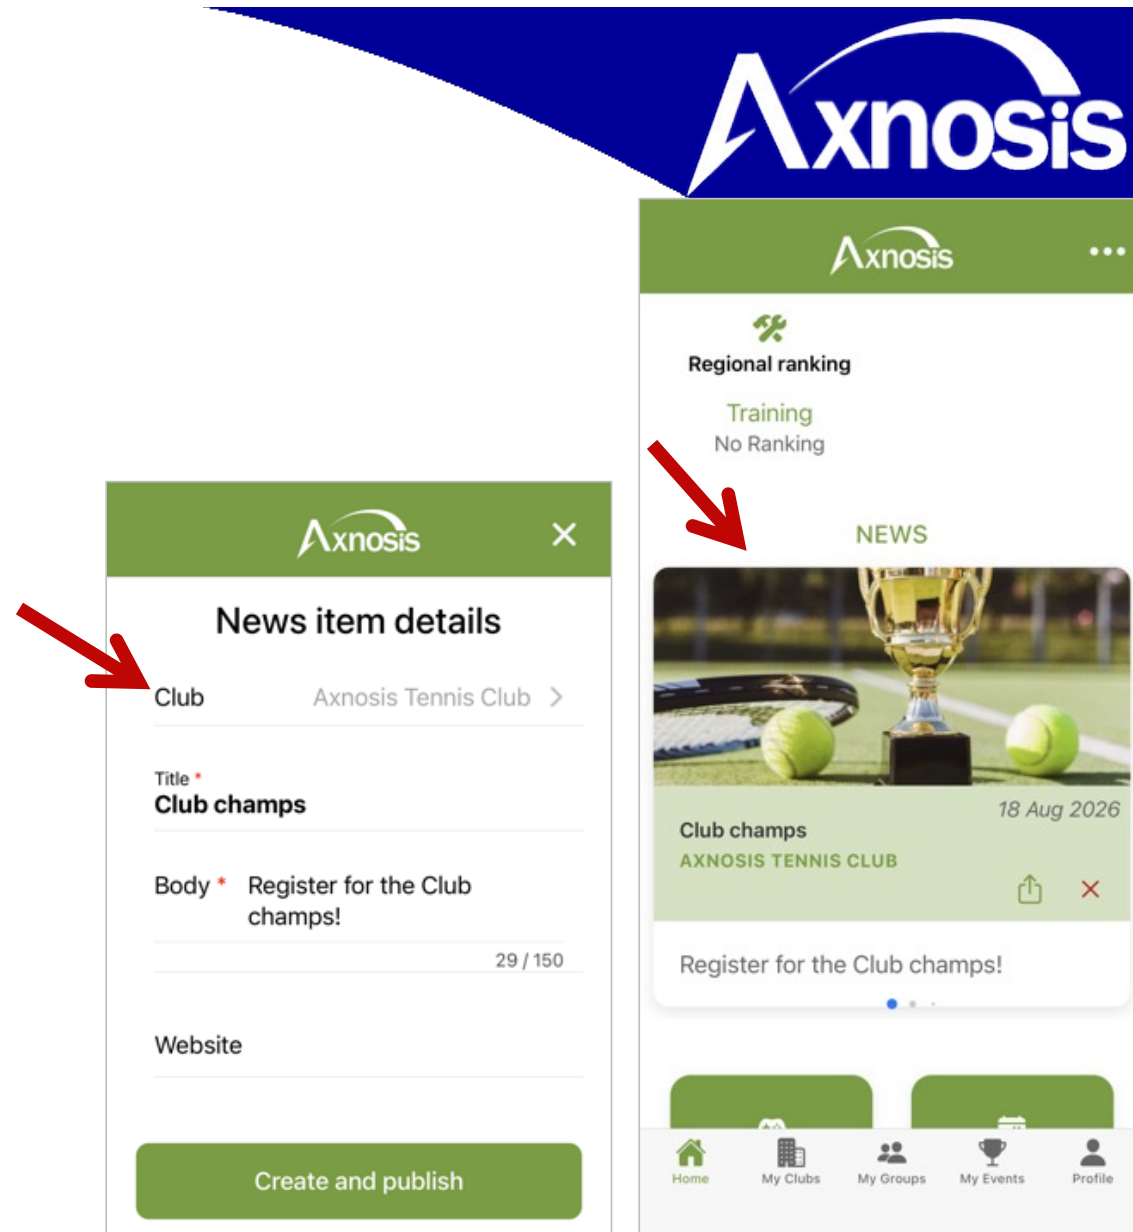

Round example with 16 players:

Round of 16	16 players	8 winners progress
Quarter-finals	8 players	4 winners progress
Semi-finals	4 players	2 winners progress
Final	2 players	Club Champion is decided

The **Create draws** button is only applicable for events where the **Event structure = Elimination**.

When the user taps on the **Create draws** button, the app calculates where the **top (seeded) 25%** of registered players are placed in the first round.

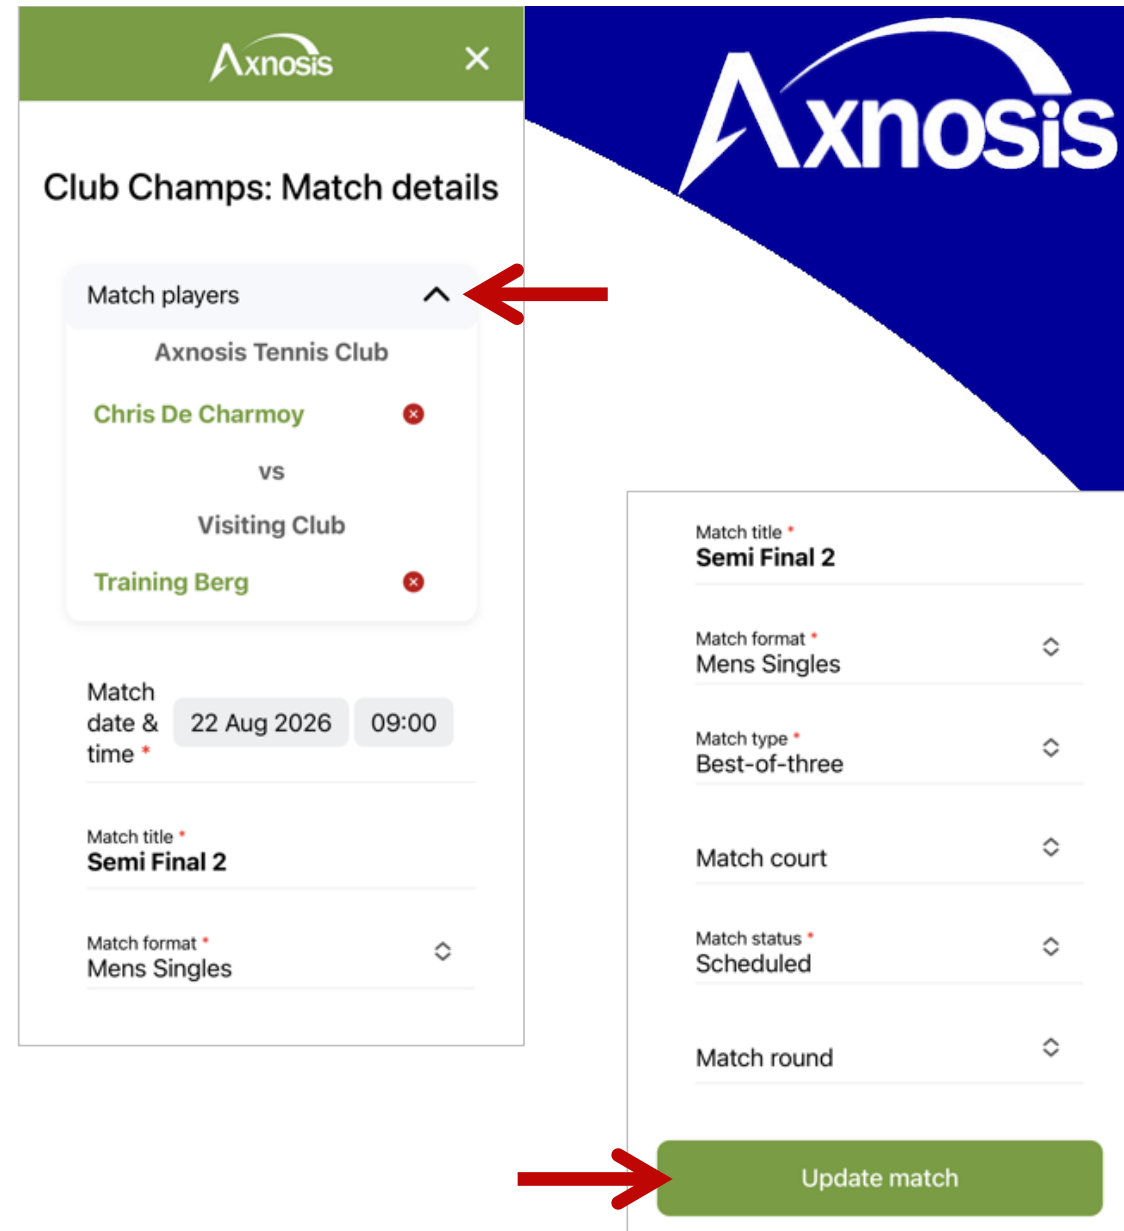

The remaining players will be placed at random in the remaining available positions.

This ensures that the **stronger players** are **distributed evenly** throughout the draw.

The result: matches are updated/populated with the players.
