Stock management

- Manage items

- ⚙ Add new stock item

- ◆ Stock counting

- Place an order
 - View and confirm order
 - Update payment status

DIRECTIONS

Head over to the "Month end" slide deck where the physical process of checking and recording how many items a club/restaurant has in stock at a specific time

Serving group

- Meet the waiters
 - Add new stock item
- ⚙️ **Group of staff**
 - ◆ Event group of type "Catering"
- Place an order
- View and confirm order
- Update payment status

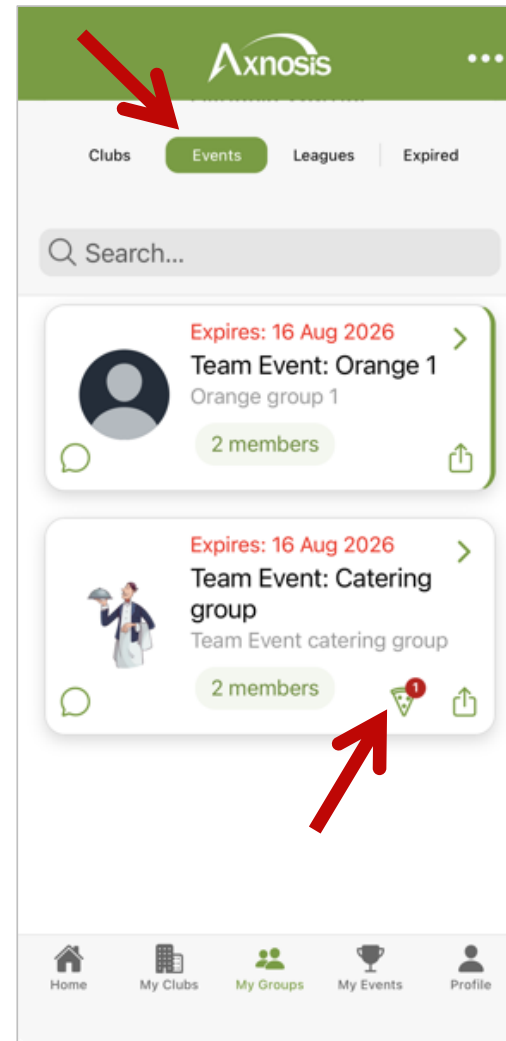

Manage > Clubs tab > "Edit" icon > Club groups accordion > Create group button

The image displays two screenshots of the Axnosis mobile application. The top header is a blue banner with the 'Axnosis' logo in white. The left screenshot shows the 'Event groups' section of the app, with a red arrow pointing to the 'Create group' button. Below this button, there is a card for 'Red 1' (Red group 1) with 2 members. The right screenshot shows the 'Group details' form for 'Axnosis Team Event '26'. It includes fields for 'Group name' (Catering group), 'Group description' (Team Event catering group), 'Division' (N/A), 'Expiry Date' (16 Aug 2026), 'League group?' (toggle off), and 'Catering group?' (toggle on, with a red arrow pointing to it). A green 'Create group' button is at the bottom.
