Background

- Another one

Yes, we have Sporty, Playtomic and a host of websites...if only we had one platform that could do:

- Regional & club management
- leagues & team tennis
- orders & stock
- access control...

- Why

- ◆ Obvious gaps with what is out there
- ◆ Frustration with current tools
- ◆ Need better user interface
- ◆ Lack of support

The screenshot shows the 'Axnosis' app interface for 'League Registration'. It features a green header with the Axnosis logo and a close button. The main title is '26 Mens league'. Below this, there are three sections: 'Select club' with options 'BRUN' (checked) and 'AGN'; 'Select categories' with options 'GN A' (checked), 'GN B' (checked), 'RES A' (unchecked), and 'A1' (unchecked); and 'Total registration cost' which displays a table with columns 'CATEGORY', 'TEAMS', and 'COST'. The table shows 'GN B' with a cost of 'R 150.00 x 1' and a total of 'R 150.00'. A green checkmark is visible in the bottom right corner of the app interface.

The screenshot shows the Axnosis app interface. At the top is a green header with the 'Axnosis' logo and a close button. Below the header is a navigation bar with tabs: 'Details', 'Map', 'Draws', 'Players', and 'Results' (which is highlighted). The main content area displays 'Men's League 2026 - A1' with a trophy icon, the score 'Lynnwood 12 - 7 Pretoria Noord', and 'Bonus points: 3'. Below this are two expandable sections: 'Mens Singles' and 'Mens Doubles', both with downward arrow icons. At the bottom right, there is a red arrow pointing to a green circular icon with a printer symbol.

Technical bits & bobs

TAP concepts

- Technical bits

- Auto push notifications

- ◆ When club join request is approved/rejected
 - ◆ Access card approved/rejected
 - ◆ Subscription (fee) payment status updated
 - ◆ Court booking confirmed
 - ◆ Incident reported against facility (court, clubhouse...)
 - ◆ When a player is added to a group (club or event)
 - ◆ When scores are submitted where you were one of the players
 - ◆ Meeting is scheduled and a player is invited
 - ◆ and much more

TAP concepts

- Technical bits

- Recurring batch job

- ◆ Club Year-end: if a club Year-end date has been reached, TAP will automatically extend the new year-end date for a club.
 - ◆ Club subscriptions: all club subscriptions will automatically receive a new financial year entry to renew the club fees for the next year.

A batch job is any regularly occurring automated process that groups similar tasks and performs them automatically without needing to be prompted by human interaction

TAP concepts

- Technical bits

- Recurring batch job

- ◆ Club Year-end.
 - ◆ Club subscriptions.
 - ◆ Payment status: the payment status for player subscriptions associated with the club, will be set to "Pending".
 - ◆ Event status: finally, event statuses are updated based on the current date (system date).

A batch job is any regularly occurring automated process that groups similar tasks and performs them automatically without needing to be prompted by human interaction

Thank you
